Bella with our Boorolong Frog display

Dear Parents

Welcome to Week 8! Last week the students were busy building compost bins and setting up the worm farm. It is really exciting to see our recycling, reusing and reducing of rubbish in action at school, which is then used to boost the vegetable gardens, along with the manure from the chooks. The worms have settled in well and we have now started to feed them chopped up food scraps.

The students have finished their display board and their informative dioramas on the Booroolong frog, to be used for the student led workshops in Tumut in Week 10. Jack has developed 2 excellent quizzes on frogs for the Tumut schools. More details will be included in next week's newsletter for our Expo day in Tumut with Tumut HS on Monday 8<sup>th</sup> December.

### Tennis & Swimming

Tennis and swimming lessons are going well with all students showing improved skills. Thanks to Mick for transporting the students to the pool each week. Tennis will be on this Wednesday and swimming on Thursday morning this week as Ms E is here. Mr Till will be teaching on Friday as Ms E is away.

### Eggs for sale

The new hens are laying well and we have beautiful brown eggs for \$4 a dozen.

### Learning

This week our focus is on 'Fractions' in Maths and 'Poetry' writing on 'Frogs' and the living environment.

### Student of the Week

Congratulations to Taila Herrington, our 'Student of the Week' for improved reading and writing skills and for her caring nature towards others.

### First Aid Course

Last week we updated our First Aid Training and completed a course in anaphylaxis.

### Homework

We will have homework only for this week and next week thank you. Let's see if we can boost our spelling results this week!

### Presentation Night
