Sam Graham explaining how his team's solar cooker works.

Dear Parents,

Welcome to week 9 everyone!

On Thursday we are making a friendly visit to Uralba aged care facility in Gundagai. We will be singing some Christmas Carols that we have been practicing as well as unveiling some of our presentation night secrets! Following on from our Uralba visit we will be enjoying a dip at the pool before our Year 6 Graduation Dinner.

Our student of the week this week is Ki Lucas. Ki has made some amazing achievements this year in her maths and English assessment tasks and has worked well with the development of dances for presentation night with Sam Graham and Tilly Benjamin. Well done Ki!

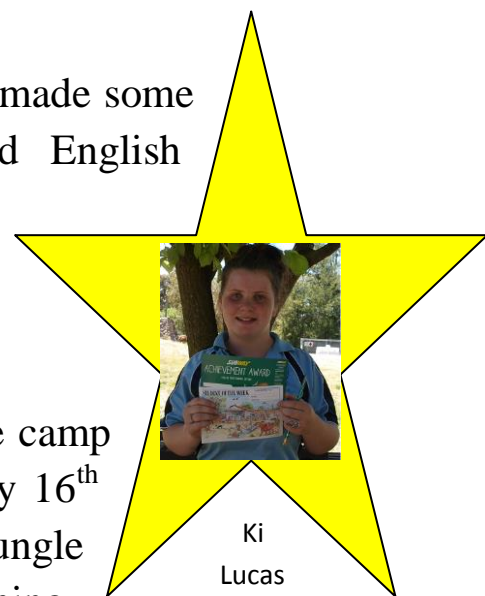

Our annual swim camp is coming up very quickly. The camp will run from Monday 14th December until Wednesday 16th December. We will be joined by Wee Jasper and Brungle Public Schools for a range of activities including swimming, Rugby League, Tennis, Golf, Bowls and Cricket. More information will be sent home to families this week.

Presentation night is quickly approaching. A reminder that all costumes need to be brought to school in a labelled bag as soon as possible. A full dress rehearsal will be implemented at the end of this week.

Presentation night will be held on Thursday 10th December 2015 at 6pm. Please bring a food platter along to help celebrate the occasion. We look forward to seeing you there.

Have a great week everyone!

Brad
