Joe Graham receives 'Student of the Week', for been a considerate and thoughtful class member .

Well done Joe !

K-2- Sound focus & Speech marks.

3-6- Inferring, Recounts, Adjectives & Verbs.

A message from Brad

Welcome to week 7 everyone!

What a hot weekend we experienced! I was glad that we were able to have a dip at the pool on Friday afternoon to cool off! I have been amazed at the vast improvement in our swimmers so far this year, particularly the younger students who are developing their breathing methods during freestyle lessons with Mrs Harris and Mrs K.

The end of school play is now in full swing, with students getting into character and displaying their finest acting skills!

After the evaluation of our whole school reading and comprehension assessments last week, I can proudly report that all students have demonstrated growth in their reading since our last assessment in early term 3. A wonderful achievement for all staff, students and parents who have all had a positive impact on our students learning.

I will be in and out of the office this week with ongoing principal meetings as the school moves into it's next 4 year school plan cycle.

A reminder from Lou, anyone who has outstanding invoices, to please have the money into the office by the end of week 9.

Finally, our thoughts and prayers are with Kate Graham and her family after the passing of her grandfather. Our deepest condolences to you and your family.

Enjoy the week everyone!

Brad

Presented by Gilmore Hall and Siana Lucas

RAW. Our lives in Isolation 2020.

A black and white photography exhibition, showcasing 25 local people and how COVID-19 & isolation has affected them.

On Saturday 28th and Sunday 29th November
10am - 3pm

At Gilmore Hall

Gold coin donation upon entry to go in the raffle prize!
(all funds to go back to the hall committee)

A message from Rachel

Hi everyone,

Last week students thoroughly enjoyed competing in the small school athletics carnival hosted by Gundagai South Public School. Thank you to their whole staff and student community who put on a great event. The students loved catching up with fellow small school friends and putting all their Athletics skills practise from Term 3 into practise against other schools.

See place recipients on page 4 of this newsletter.

We had our second week of Gold and Swimming in Gundagai last Friday! It was a hot one! We were all looking forward to our swim after golf, let me tell you!

Please remember hats and plenty of water again this week as its expected to reach 39oC! Half frozen water bottles are most welcome!!

This week our focus will be:

Sounds focus::

K- Qu & revision

Year 1 & 2- aie & are

Numeracy Focus- Patterns and Algebra

Week 7! We are in full swing with end of year activities, play practise, getting student achievements/ results moderated for report writing, as well as still learning our sounds and our last few topics for numeracy.

Have a great week!

Rachel
