A message from Brad

Welcome to week 9 everyone!

The countdown is now on for presentations, with the school play in full swing! Miss Kerr and I have been evaluating and monitoring assessment results over the past week in readiness for end of year academic reports. All students have demonstrated pleasing growth this year and should be commended for their dedication towards their learning.

I had a meaningful discussion with Cootamundra-Gundagai shire representatives last Friday afternoon at the council pop up stand, about the future of the Adjungbilly area and what priorities may be, over the next 10 years. It is vitally important that we all have our say about what the future holds and you can have your say by simply scanning the QR code on the council advertisement that we have included in the back of this newsletter. Topics such as roads, local industry, tourism, weeds and telecommunications are all examples of what impacts our local community and topics that you can have a voice on.

Today we had our school photo's completed by the wonderful Siana Lucas who once again did an amazing job. Photo's will be made available early next year once they have been processed. Thanks Siana!

The Gundagai Golf Club have kindly donated their bottles and cans to the school SRC. SRC will hold a meeting to discuss possible projects that the money can be used for, Thank you Gundagai Golf Club for your kind donation and, in particular, Mick Wheeler for working alongside our school to make this possible.

Remember to lock in next Thursday, 9th December for our annual presentations at 4pm. We will enjoy a community afternoon outside to finalise the evening and catch up and reflect on the year that was!

Next Wednesday, 8th December we will have Country Rugby League representative visit our school for an information session from 10:30-11:30am.

That's about all for this week. Enjoy the week everyone!

Brad

A message from Miss Kerr

Hi everyone,

Week 9 and we have a week and a half to go until Presentation Day. We have been very busy practicing our lines, dances and creating props for our performance. Dress rehearsal will begin Monday Week 10.

We had a great day in Gundagai on Thursday! A big thank you to Mrs K for teaching us all your golfing secrets. We have seen so much improvement in both golf and swimming. Practise makes perfect!

This week our focus will be:

Sounds focus:

K-revision

Year 1 & 2- er - ladder

Numeracy Focus- Chance & data

Have a great week!

Sam

DICTATION

We moved the paper around together so we could write the number eight.

Did you run away from your mother and teacher again?

Does your cousin often drink a litre of water in the later part of the day?

The instructor asked, "are you against my cousin coming to help me with the lesson in the autumn?"

Focus sound: er, ar, or, a, e, i, o, u (ladder)

Sight words: move, write, together, around, eight
