## A message from Brad

Welcome to week 2 everyone!

I trust that everyone survived the wild and wet weather last week, as the Murrumbidgee River began to roar once again. The flooding impacted some of our local roads which in turn affected school access. I think we should keep our canoes and kayaks at the ready, as it seems we are in for more rain at the end of this week!

Last week, our students were straight back into the swing of things, and tackled whole number in their maths unit. I would like to make special mention of our students in year 4/5 who achieved absolutely remarkable results in their post assessment. Harvey, Joe and Max were particular standouts with their results being equivalent to a year 6 student! Well done!

The Trent Barrett Shield has been cancelled for the year after the Gundagai playing fields were once again submerged under water.

Last week, Father George held the final mass for the year and showed our students how to kick a soccer ball! Father is moving on at the end of the year and we send our best wishes for his future endeavours and thank him for his time and dedication to our school.

It is the busiest time of year where our calendars begin to spiral out of control, but I would like all community members to ensure that they have Wednesday 7th December set aside for our annual presentation night to begin at 4pm. We look forward to seeing you all there!

The Adjungbilly community night is back! After a few tough years of COVID restrictions the P&C are ready to rumble. Please set aside Friday 24th February 2023. This time we will see an afternoon for kids and an evening for adults as we come together for a laugh and enjoy each others company. Keep your eye out for an expression of interest which will be out soon!

Finally, I would like to congratulate Tumut local, Piper Duck who is currently representing Australia at the Women's Rugby world cup. Piper played for the Tumut Bullants and Bullettes before making her way into the Australian team. Piper joins fellow Batlow Rugby legend, Sharni Williams. Go girls!

Enjoy the week everyone! *Brad*

## A message from Sam

Welcome to week 2!

We have had a fantastic start to term four. The students were eager to see their friends again and chat about their holiday adventures.

Last week we attended mass at the Adjungbilly church. Each student had a role in the mass, and they all did very well. This week in writing we will begin studying information reports. Keep an eye out for some informative writing samples in the coming newsletters!

### Sounds focus:

K- ch, sh

Year 1 – 6: u, y (yo-yo)

K-6 have begun creating some props for the end of term play. Everyone has been very creative when brainstorming prop ideas. We can't wait to share them with you!

Have a great week!

*Sam*

## Tennis with Tim!

Tim Graham has kindly offered to conduct Tennis Lessons Friday afternoon starting Term 4.

Lessons will start around 3.30-4.00 and the duration will be approximately 45 minutes.

Lessons are free and if you wish to participate, Tim can be contacted on 0438 427 984..
