A message from Brad

Welcome to week 7 everyone!

What a fantastic week we had last week! Our future Kinder superstars Annabelle, Oscar and Georgie settled in like they had been here all of their life! My highlight was watching them recite their sounds with all of the actions, alongside their siblings, just as they would at home during homework time! Well done to Miss Kerr and Mrs Lott for getting the program underway!

On Thursday, it was wonderful to join our friends from Puggles for some cooking, peer reading, craft and games! I think the kids would have slept very well that night!

Last Friday Isobel, Max, Ed, Harvey and Joe headed to Albury for the Riverina Athletics carnival. Isobel made the final of the 8yrs girls 100m and came 6th! The boys also came 6th in the small schools relay! Well done to all students and thankyou Maddy Luff and Kelly Smith for transporting and organising the students.

This week we will complete our post fractions and decimals assessment and our 5 week spelling review assessment. Good luck students!

Tomorrow we will host Assistant Principal Learning Support, Sharon Elphick, as we complete our 5 week teaching and learning evaluation.

Past student, Tilly Graham made a guest appearance last week while on a break from school which was a very pleasant surprise. I became instantly nervous when discussing her eligibility to get her drivers licence in the next couple of months! Fred Graham, Taylah Graham and Mack Mason, who were students in the same year, are already on the road with their L plates! Where did the time go!

Our Sydney trip for the state touch finals in week 10 has been booked! We will visit the aquarium, Circular Quay and Darling Harbour while we are in the area!

Good luck to our tennis superstars this Friday at the Woodbridge cup! Our tennis lessons with Col Maher have been pushed back to term 4 due to Col being washed out the last few weeks and now he is playing catch up before heading up to us.

Enjoy the week everyone!

Brad

A message from Sam

Welcome to week 7! How the term is flying by!

We had an action-packed week last week. We had some very special visitors join us on Tuesday. Our kindergarten class of 2023 began transition. We had such a great day getting to know our future students. We played with playdough, made jellyfish and played lots of fun games. We cannot wait for you to join us again this week!

Our numeracy topic has been fractions! Our students should be very proud of their efforts over the past week and I can't wait to see their post test results!

On Thursday we spent some time with Puggles where we did some cooking for Father's Day. After cooking, our students read some fathers day pictures books!

On Wednesday we will head to Brungle to join them in a cultural day. We can't wait to join with our neighbour schools for the day! On Friday we will head to Tumut to participate in the Woodbridge Cup!

Have a great week everyone!

Sam

Book Fair, end of term assembly and P&C meeting

On Monday 19th September 2022, we will be holding a book fair in the Bongongo Public School Library. Those who wish to purchase books can do so on the day. Students will be creating a wish list to take home to their parents.

Students will come dressed up as their favourite book character. We extend our invitation to all family members who would like to join us for an afternoon tea, a dress up parade and our end of term assembly. Following the afternoon tea, we will have a P&C meeting. Those who wish to purchase books can do so on the day. Students will be creating a wish list to take home to their parents. We will begin our afternoon at 1:30pm.
