Thursday 17 August	Puggles
<b>Term 2</b>	<b>Week 6</b>
Friday 25 August	Riverina Athletics

Georgie Luff  
For  
Achieving 100% in her  
Patterns and Algebra Test.  
Well Done Georgie!

## A message from Brad

Welcome to week 3, Term 3, everyone!

First of all I would like to acknowledge our Kinder students who celebrated 100 days of Kindergarten last Friday with a morning tea, hosted by Miss Kerr! It is amazing to follow the growth of students in their early years as they move very quickly from learning the alphabet and numbers to reading books and completing addition and subtraction problems! Georgie, Annabelle and Oscar are steaming along with their development and I can't wait to see where they will end up by the end of the year! I remember when Harvey, Max, Ed and Joe began kinder and they are about to finish year 6! Where did that time go!

In Numeracy, our wonderful students have achieved some very impressive growth in number and algebra! All students have shown growth from their pre assessment to their post assessment! Do you remember learning about the cartesian plane? Just ask our guru's in year 4-6! A special mention goes out to our junior students Georgie Luff who achieved 100%, Charlotte Graham 95%, Cody McCann 95%, Annabelle Graham 92% and Charlotte Graham 95%! Outstanding!

Tomorrow, we will be off on our Sydney excursion! This excursion brings back memories of almost a decade ago, sleeping in hammocks at the Hyde Park Barracks. The look on George Graham's face while eating boiled sausages and mash potato as we lived the life of convicts was priceless! Jack Weston was in kindergarten and was glued to Mrs Lott during the night! We headed to Manly for a walk along the beach and everyone was only to enter the water up to their knees. Within 5 minutes the whole school was swimming fully clothed without a care in the world that they were 15 minutes away from getting on Mick's bus for a 5 hour drive home! Mick was very impressed! You can take the kids out of Adjungbilly but you can't take Adjungbilly out of the kids!

Happy Birthday wishes to Bella and Matt Lucas who have celebrated some milestones! I hope both enjoy their special day with family and friends!

Our thoughts are with the family and friends of Sam Jones, who sadly passed away last week.

Enjoy the week everyone!

*Brad*

## A message from Sam

Welcome to week 3!

We had a great week last week in the K-3 room. We have been working very hard in writing to create imaginative and entertaining writing. K-1 students have been concentrating on editing their writing to ensure that it always makes sense. The year 2-3 students have been focusing on adding dialogue to their writing.

Last week the kindergarten students celebrated 100 days of school! We celebrated with a party and some party games. Well done Georgie, Annabelle and Oscar!

Our STEM program is well underway, and students have been enjoying learning how to code their first game- Chase the Pizza!

We have a very busy week planned this week! Tomorrow we will be heading to Sydney for our annual excursion. Whilst we are there, we will be exploring the Maritime Museum, having a tour of the SCG, Opera House and Hyde Park Barracks and we will be watching the stage production *Beauty and the Beast* at the Capitol Theatre!

Have a great week! *Sam*

*Happy 18th Bella*

*&*

*Happy 50th Matt*
