KLA's

Well Done Oscar!

Students need to bring their own fruit as Woolworths are unable to supply us with any fruit in the future.

A message from Brad

Welcome to week 6 Term 3, everyone!

Well our poor Matilda's couldn't quite get the job done last week against The Lionesses. A monumental effort from our girls in getting to the semi-final. There is nothing like a game of sport to rise a nation! Let's hope the wobblies can get us up off our seat in France as they take on the Rugby World Cup.

This week, our students will complete their mid term spelling review as they look back on all of their spelling and grammar rules of the past 5 weeks. Students will also look to finalise their writing skills as they prepare for their narrative writing assessment next week. Does anyone remember alliteration or onomatopoeia? Just ask our year 4-6 students!

Good luck to our Riverina Athletics representatives Isobel Welsh, Ed Smith, Harvey Graham, Joe Graham and Max Weston as they take on the best in the district in Albury on Friday. Isobel will run in the 200m while the boys combine for the small schools relay for their final time before they make their way into high school next year!

Next Friday, we will be off to Tumut to compete in the Woodbridge Cup tennis competition. Mick will be transporting our students down and back. Normal bus run times will apply.

Our trusty school photographer, Siana Lucas has pencilled in, Monday September 4th for our School Photo's. That leaves plenty of time to prune the mullets, trim the fringe or put in a blue rinse! Thanks Siana for getting this organised.

Finally, On Behalf of the Bongongo Public School community, I send our deepest sympathies to the family and friends of George Hassett who tragically passed away last week. A top bloke and cheerful character, taken far too soon.

I am on leave this week. Miss Kerr will be my replacement.

Enjoy the week everyone! *Brad*

A message from Sam

Welcome to week 6! I can't believe we are halfway through the term.

Last week in the K-3 classroom, our focus in Numeracy was time. K-3 students have been working hard to master the concept of telling the time. All students made great improvement in the post assessment, well done! Telling the time is a topic that needs continued practice, so please feel free to grab the analogue clock out at home and ask your children to tell you what the time is! 😊

Next week, we will be focusing on narratives. All children have their own goals that we have created together based on their term 2 writing assessments. We will be focusing on using descriptive language, dialogue as well as students individual goals.

Sound focus:

K: t, tt (tiger)

1-6: or (horse), oo (book)

Numeracy focus:

Addition and subtraction

Have a great week!

Sam

DONATE

I'm chopping my hair and need your help!

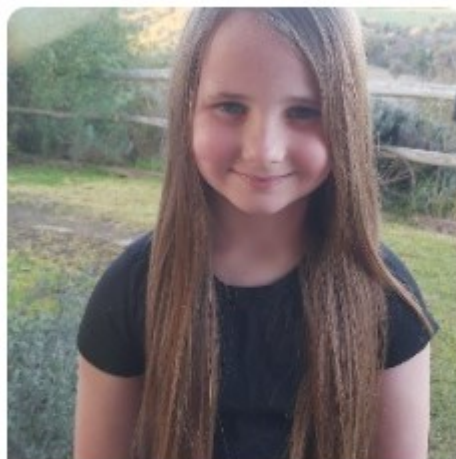

I've made the decision to take the big chop and change lives!

Variety – the Children's Charity supports kids who are sick, experiencing disadvantage or living with a disability.

I will be donating my hair to help provide a wig to someone who has lost their hair, as well as raising vital funds for kids in need.

Every gift, no matter the amount, makes a difference.

Thank you for your support!

Ashlynn Lucas
