Welcome to week 7 everyone!

Well folks, Spring is on it's way! Wattle is in full bloom and so is the hay fever! This Thursday we will celebrate the end of winter and beginning of spring through assisting Deb Luff with planting of trees as part of a Landcare project. We will finish the day with a sausage sizzle.

Last Friday our Riverina Athletics Reps, Joe, Ed, Max, Harvey and Isobel travelled down to Albury as they took on the best in the district! Our relay team came 6th overall after winning their heat while Isobel finished 4th in her heat. Congratulations to all competitors and thanks to Kelly Smith for providing transport.

This week our students will take on their writing assessment as they look to continue their growth in sentence structure, grammar, punctuation and vocabulary! I can't wait to see what our wonderful scribes will produce this week!

This Friday, our students will head down the hill to Tumut as they compete in the Woodbridge Cup tennis competition. Thanks to Miss Kerr for organising and to Tumut Tennis for running the event! Travel will be with Mick and normal bus times will apply. Students need to pack recess, hat and drink bottle.

Our next round in the NSW Small School State Touch knock out will be played against Illabo Public School after they defeated last years grand final runners up Eurongilly Public School in a nail biter that went into drop off extra time! A date and time is to be confirmed. We will play in Gundagai. We had better get training!

Finally, thank you for all of the birthday wishes last week and to our staff for filling the void while I was away. Amanda and Hazel put on an fantastic family day.

Enjoy the week everyone! *Brad*

This week we will be heading to Deb and Bill Luff's to do some tree planting on Thursday. On Friday we will be making our way to Tumut to compete in the Woodbridge Tennis cup. This is always fun filled day catching up with other schools and getting active on the tennis court.
