Leader during
Kindergarten Transition

A message from Brad

Welcome to week 8 everyone! Only 3 weeks to go and still so much to do!

Last Friday, our small schools relay team made their way to Albury for the Riverina athletics carnival. Isobel, Harry, Finn and Oscar Welsh competed against the best in the district and finished 5th in their race. Well done!

I hope that everyone has dusted out their swag in readiness for this week’s Jugiong PS camp. I am excited to be back in tents again and enjoying a small school camp, thanks to Mrs K and Jugiong PS.

Next Tuesday, 17th September is Grandparents day and book week. We will have an action packed day of craft, reading and story telling while also hosting our end of term assembly. I look forward to catching up with our grandparents and celebrating book week.

Our year 3-6 students have been busy completing their reading and numeracy check in assessments over the past couple of weeks. This week, our year 6 students will complete their writing assessment. Good luck, year 6!

Congratulations to Olivia Graham and her Tiger Lilly Netball team, who won their semi final on the weekend. The team came away with the win, playing with a player short for the whole game! The team will get a week off now as they enter the grand final, the following week! Good luck, Olivia!

Finally, congratulations to Mick and Kiera Graham on the safe arrival of their son Hugh David Graham. Mum, dad and bub are doing well while Kate and DJ have made another extension to the family Christmas table! Wonderful news!

Enjoy the week everyone!

Brad

A message from Sam

Welcome to Week 8!

I can’t believe we’re already in Week 8 – the term is flying by!

Last Tuesday, we travelled to Humula for an art camp, where we had the chance to connect with other small schools, including Humula, Tarcutta, Jugiong, and Nangus. A big thank you to Humula Public School for hosting us – it was a fantastic day!

This week, we’ll be heading to Miss K’s place for another camp by the river, joining other small schools for some fun outdoor activities. Stay tuned for photos!

We’ll also be wrapping up our addition and subtraction with a post-test, and then diving into multiplication and division.

This week, we’re in full training mode to get ready for the Small Schools Touch finals!

Have a great week ahead!

Sam
